

# AMP120

Professional amplifier for 100v installations

Code : 9903

EAN : 3662009009964

## Technical data

- XLR balanced input
- XLR balanced output
- RMS power output : 120 W RMS
  
- Power output terminal
- 24 V DC Input terminal
- Input sensitivity : 1.0 V (réglable)
- Input impedance : 10 kOhms (symétrique)
- Frequency response : 70 Hz - 18 kHz (+/-3 dB)
- T.H.D (1 kHz, 1/2 nominal power) :
- Signal to noise ratio : 90 dB
- Ground Lift power switch
- Filtre Passe haut 400 Hz activable par switch
- Power supply :
  - 100 - 240 V, 50/60 Hz, AC
  - 24 V, DC (safe power supply)
- Protections : Short-circuits, Thermal, Overcharge
- Power outputs / Impedance :
  - 100 V (83 Ohms)
  - 70 V (42 Ohms)
  - 4 Ohms (21,9 V)
- Power consumption : 185 W
- Net weight : 11.6 kg
- Dimensions (L x H x D) : 482 x 88 x 330 mm
- Mountable in 19" wide racks
- Height : 2 units
