Accessories

STAGEBLOCKS

Procab multi stage blocks provide you with a range of solid metal stage blocks.

In the audio recording and entertainment fields the stage blocks with 16 or 24 XLR connectors are common, but Procab also offer smaller versions with 8 or 12 XLR connectors and also the one bigger version with 40 XLR connectors.

Every stage block comes supplied with the necessary connectors and is fitted in a bag.

When you have to go "long-distance" to a stage with a lot of cables don't doubt to use the Procab multi stage blocks.

MICROPHONE CABLE **ANALOG AUDIO SIGNAL**
MULTICORE CABLE **CONNECTORS ADAPTERS**
