

RCLS4F-G-000

4 pole loudspeaker cable connector with latch lock, chuck and bushing, bulk and single packed

Features & Benefits

- updated exterior design of REAN product language
- new latch system with better convenient unlocking experience
- VO plastic material ensure safety and compliance
- UL/VDE fully certified

Article Variations

Article Name	Details	Packaging
RCLS4F-G-000-0	Female	BULK
RCLS4F-G-000-1	Female	Plastic bag

Technical Information

Product

Title	RCLS4F-G-000
Connection type	Loudspeaker
Gender	Female

Electrical

Contact resistance	$\leq 5 \text{ m}\Omega$
Dielectric strength	$> 1 \text{ G}\Omega$ (Initial)
Insulation resistance	4 kV dc
Rated current per contact	30 A
Rated voltage	250 VAC

Mechanical

Cable O.D.	6.0 - 10.0mm
Lifetime	> 1000 mating cycles
Wiresize	12 AWG / 4mm ²

Material

Shell	PA
Contacts	Bronze
Contact plating	Silver
Locking element	Zinc Alloy
Chuck	PA
