

GENERAL PURPOSE

For All Day Comfort

Comfort Fit™ General Purpose Rigger Glove

Provide your hands with a comfortable barrier against a moderate manual working lifestyle. The fitted design moves with your hands as you work, minimising the risk of snagging and making it a comfortably light glove to wear.

TOUGHNESS SCALE* 50%

Slim Fit™ Smaller Gloves For Smaller Hands

If you often find rigger gloves too baggy, then the SlimFit™ range could be just what you're looking for. Breathable and light, these gloves offer exceptional all day comfort. A synthetic leather palm combines with a durable second layer in key wear areas for excellent everyday durability.

TOUGHNESS SCALE* 40%

Comfort Fit™ 0.5 High-Dexterity Rigger Glove

Almost unnoticeable at only 40g per glove** the Comfort Fit™ 0.5 allows you to work comfortably with an incredibly light and flexible barrier. Feel through the glove with incredible dexterity and virtually unrestricted movement thanks to a durable one-piece synthetic leather palm.

TOUGHNESS SCALE* 30%

**Based on a medium sized glove

GENERAL PURPOSE

For All Day Comfort

GlowMan™ LED Light Glove

A thumb-mounted LED (right hand glove) provides a 15 lumen output to aid your vision in low-light situations. The LED reduces the need for handheld torches and helps you remain working with both hands safely and effectively. Comes complete with a replaceable battery pack.

HEAVY DUTY

Tough Stuff!

Protector™ 3.0 Heavy Duty Rigger Glove

Protect your money makers from a demanding hands-on working lifestyle. Tested in accordance with EN388: 2016, the TPR guard helps protect against minor impact blows to the knuckles, while the world-class aramid fabrics and goatskin leather work to resist abrasions on the palm.

TOOL POUCHES

Keep'em By Your Side!

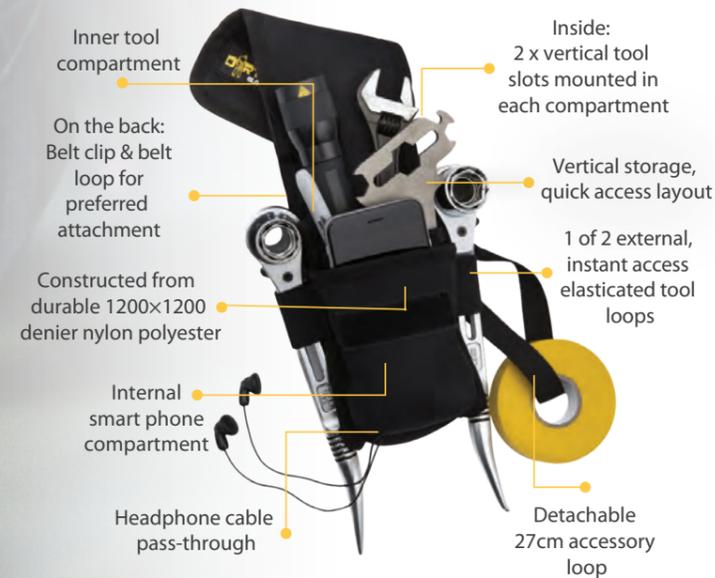

Pro-Pocket™ XT

More tools, minimal bulk

The Pro-Pocket™ XT provides a tool storage solution which falls between the Pro-Pocket™ 2.0 and the Tech Pouch / Tech Pouch 2.0 for storage capacity. While still relatively compact, its innovative internal and external layout provides an impressive level of tool storage with minimal bulk.

CAUTION: If using this pouch whilst working at height, you should ensure tools and pouch are adequately secured and could not become a 'falling object' hazard.

Pro-Pocket™ 2.0

Instant access, vertical storage

Low profile, lightweight and extremely durable. The Pro-Pocket™ 2.0 has a unique layout design which enables it to hold a professional's must-have tools and necessities with minimal bulk.

CAUTION: If using this pouch whilst working at height, you should ensure tools and pouch are adequately secured and could not become a 'falling object' hazard.

Compact Utility Pouch

Compact Versatility

Our unique design provides essential tool storage in an ultra-compact space. Simply attach it to your belt and you'll almost instantly forget it's there. This clenched fist sized pouch utilises every millimetre of space.

CAUTION: If using this pouch whilst working at height, you should ensure tools and pouch are adequately secured and could not become a 'falling object' hazard.

Tech Pouch

Rugged ultra light storage

Weighing less than 300 grams, the Tech Pouch helps you keep tools organised with a 2.5ltr master pocket and 5 slip-in pockets around the inner walls. Instantly access your most commonly used tools from two open-topped pockets on the bag's outer edges and a built in pass-through for long handle screwdrivers.

CAUTION: If using this pouch whilst working at height, you should ensure tools and pouch are adequately secured and could not become a 'falling object' hazard.

Tech Pouch 2.0

The essential riggers' tool pouch

An abrasion and puncture-resistant 4mm rubber base helps prevent pointed tools from piercing through the bottom of the pouch. Help keep your equipment organised with a 2.5ltr master pocket and 5 slip-in pockets positioned around the inner walls.

CAUTION: If using this pouch whilst working at height, you should ensure tools and pouch are adequately secured and could not become a 'falling object' hazard.

TOOLS & ACCESSORIES

Finest Quality Assistance For The Job

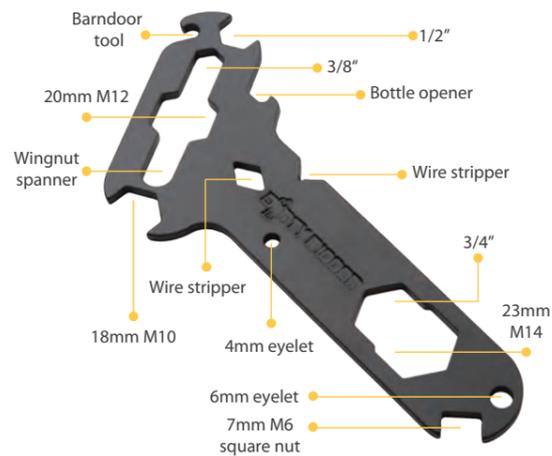

4-in-1 Podger Ratchet

A solid steel combination podger

4 socket sizes, all constructed from solid steel and coated in an ultra-tough nickel chrome plating. Compatible with most Dirty Rigger™ Tool Lanyards, the 4-in-1 Podger is an essential piece of equipment for any rigger.

Metric podger wrench socket sizes - 17, 19, 21 and 24mm

Imperial podger wrench socket sizes - 15/16 inch hex, 3/4 inch hex, 1/2 inch square and 7/8 inch hex

Multi-Tool

14 tools in one hand

So simple, yet it's indispensable. Cut from 4mm hardened steel, it's one of the toughest multi-tools of its kind on the market. 14 separate tools remain instantly available, with each one designed around some of the most common needs in the professional rigging industry.

Podger Holster

The handy little pocket for your Podger

Keep your podger right by your side with the Dirty Rigger™ Podger Holster. Tidy and discreet, the holster is designed to fit the Dirty Rigger™ 4-in-1 Podger and most other podgers of equal size.

CAUTION: If using this pouch whilst working at height, you should ensure tools and pouch are adequately secured and could not become a 'falling object' hazard.

Pouch contents not included. Measurements are approximate.

Podger/Tool Lanyard

The lanyard redefined

Fitted with the innovative Dirty Rigger™ Mini Loop, the new Podger/Tool Lanyard has been designed to be compatible with most hand-held manual tools, especially those with super-small eyelets, just like the Dirty Rigger™ Podger.

Podger shown for demonstration purposes only and not included. Please refer to safety manual before use.

Interchangeable Tool Lanyard

Attach. Release. Exchange.

Help secure your tool when working at height with the Interchangeable Tool Lanyard from Dirty Rigger™. Complete with two quick release loop attachments, you can interchange connected tools quickly and easily when safe (i.e. not at height).

Please refer to safety manual before use.

WEAR THE LABEL

Be Part Of The Brand

LED Chest Rig

Keep your tools close to your chest

Store your essentials on this lightweight, compact Chest Rig with integrated 15 lumen LED. Water and shock resistant, the multi-function light source is easily removed for hand-held use and comes complete with a replaceable battery pack.

CAUTION: If using this pouch whilst working at height, you should ensure tools and pouch are adequately secured and could not become a 'falling object' hazard. Battery pack should be kept away from water.

Tool Belt

Ventilated tool belt

Allow your waist to breathe with Dirty Rigger™ multi-layered material construction. The padded 3D internally-breathable mesh provides excellent ventilation throughout the belt, minimising uncomfortable under-belt sweat.

CAUTION: Ensure the belt and all added attachments i.e. tools, tool pouches & their contents are adequately secured and could not become a 'falling object hazard'. This item is intended as a general use tool belt.

Padded Utility Belt

Breathable, padded tool belt

Spread the load with an extra wide 12.7cm (5") padded belt-back, lined with a breathable mesh and specially selected foam for optimum all-day comfort. Move freely as the belt narrows at the front and sides, minimising bulk and restriction of movement.

CAUTION: Ensure the belt and all added attachments i.e. tools, tool pouches & their contents are adequately secured and could not become a 'falling object hazard'. This item is intended as a general use tool belt.

Women's Workwear Trousers

Designed By Women. Made For Women.

ADDED ASSISTANCE

Dirty Rigger™ Accessories

Single-handed unclip

Engineer grade, ultra tough material

Size: 12.5cm (L) x 3.3cm (W)

Single-handed unclip

Glove Clip

Clip'em, keep'em

Don't leave gloves behind, clip them on right by your side with the Dirty Rigger™ Glove Clip.

Lightweight aluminium snap hook

Multi-purpose strap

Quick-release buckle

Adjustable strap provides up to a 70cm circumference

Gaffer roll not included. General use only. Not intended for working at height or fall arrest.

Gaffer Holder

An extra hand by your side

Acting as a tool leash, the Gaffer Holder quickly and securely offers an accessible strap for holding tools, clamps bags and, its original design intention – gaffer tape. The quick release buckle allows for single handed use, while the adjustable strap provides up to a 70cm circumference for larger items.

pocket

12 Ltr of internal storage

Grab handle

Heavy duty and water resistant

11 inner tool slots

Hook and loop closure flap with added buckle

Separate smart phone pocket

Padded front pocket for tablet devices

Padded, adjustable seatbelt-style shoulder strap

2 external D-rings for extra attachments

Gear Bag (12 Ltr)

A rigger's day, all in one bag

Keep everything you need right by your side in the Dirty Rigger™ Gear Bag. 12 Ltr of organised space, constructed using heavy duty materials and water resistant outer shell. Padded walls help cushion everything from tools and equipment to tablet devices and drink flasks.

Seatbelt-style heavy duty grab handle

2 x removable gravel bags, pre-sealed for minimal gravel loss

H 24cm x W 33.5cm x D 14cm

Double stitched seams in key wear areas

Pre-filled 6kg pea gravel shot bag

Rugged material construction throughout

Shot Bag

6kg of British made muscle

Minimising gravel loss, the Dirty Rigger™ Shot Bag retains 6kg of pea gravel in 2 pre-sealed bags. Secured inside 2 hook & loop secured pockets, they can be removed or replaced if required. The seatbelt-style grab handle and heavy weight material construction throughout the bag provides exceptional durability.

Pouch contents not included. Measurements are approximate

CABLE MANAGEMENT

Tidy Cables, Tidy Mind

Designed to work with most types of carpets

Rolls up when not in use

High visibility black/yellow or plain black styles

Extremely durable 700 denier polyester construction

Repositionable grippers

1 meter / 3.3ft long inter-connecting sections

Carpet Crawler™

Tidy cables help make safer cables

Help make people aware of your cables to minimise trip hazards with the Dirty Rigger™ Carpet Crawler™. Simply lay over loose cables and secure using the carpet grippers running along each edge. Inter-connecting tabs on each Carpet Crawler™ allow you to link an unlimited number of them together.

All black, glow in the dark and fire retardant versions also available.

Intended for use on carpeted areas only. Always test before use to ensure a secure carpet grip is achievable.

Hook and loop closure

Elastic bungee cord - Anchors the DVI Buddy™ to the cable

25mm CNC precision cut foam insert

Durable 600 denier nylon outer shell

Nylon pull tab for easy application and removal

High quality hook and loop closure system

Elasticated bungee loop

Chunky, 50mm x 400mm strap

40cm length

DVI Buddy™

Your DVI's new best friend

Fibre optic DVI cables can often cost a small fortune yet, life on tour can quickly take its toll on the terminals. The Dirty Rigger™ DVI Buddy™ has been designed and manufactured to act as a DVI protector, helping to protect those expensive DVI terminals against general wear and tear.

Cable Straps x 5

A neat and tidy solution for your cables

Chunky 50mm x 400mm cable strap provides a secure hold to a variety of cable reels. An elasticated bungee loop offers quick and secure attachment to your cables. Made using a quality hook and loop closure system, the Cable Strap can be used time and time again. Finished with a nylon pull tab for fast, on-the-spot release.

Custom Products

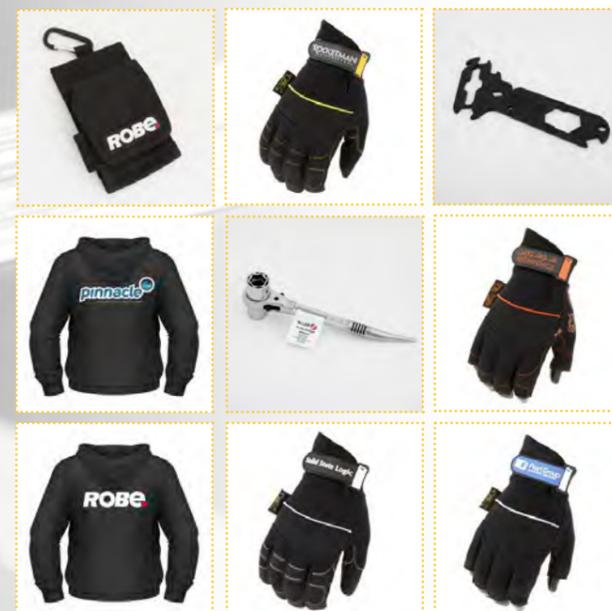

Our Gear. Your Logo.

Your logo... your brand, visible on every hand on site. Everything in the Dirty Rigger™ range can be fully customised, from the colour of your stitching to the wrist strap and even the packaging. We do it all for you, providing you with design support and progress updates right through to delivery.
