Custom print Available

*Residue Resistant Adhesive

A perfect balance of adhesive strength and peel clean removability. Removing this tape leaves minimal, if any, residue on a huge variety of surfaces. Please note some surfaces and environments, especially those with high levels of plasticiser, may cause the adhesive to transfer.

Our best-selling duct tape for builders and agriculture. The ultra-flexible, high-tak design conforms and adheres to a variety of surfaces.

A chroma key blue/green screen coloured gaffer tape. A premium grade matt, non-reflective finish, ideal for TV and film special effects applications.

MATT

The all-black matt gaffer tape.
Produced with a new black
adhesive for minimum visibility on
blackout screens and curtains.

A multi-purpose gaffer tape available in a wide range of colours. High adhesive strength and excellent water resistance once applied.

Pro Tapes, was originally founded in 1977 to service the motion picture and theatrical industries in New York City. The Company has grown to be North America's largest supplier of premium pressure sensitive tapes to the entire spectrum of Arts & Entertainment (A&E) industry.

Le Mark Group became a Master Distributor in the UK for the Pro Tapes/Shurtape range in 2004, of high quality self-adhesive tapes. Pro Tapes/Shurtape is the leading manufacturer of vinyl-coated tapes including Shurtape 665, the world's first gaffer tape.

MATT

PROTAPES PROGAFF

One of the most durable gaffer tapes in our range. ProTapes ProGaff is one of the USA's best-selling matt gaffer tapes.

Colours:

MATT

PROTAPES PROGAFF

ProGaff fluorescent gaffer tape offers an ultra-heavy duty construction combined with a high performance adhesive.

Colours:

BATTERIES

Delivering long-lasting power across a range of professional applications. Capable of operating in temperatures from -20°C to 54°C.

We offer the following types...
Duracell Industrial AA, AAA, 9V, C and D.

CARPET CRAWLER

Make people aware of your cables and minimise trip hazards with the Dirty Rigger® Carpet Crawler™. Simply lay over loose cables and secure using the carpet grippers running along each edge.

Colours:  

HOT RUNNER FLOOR CADDY

The Hot Runner Floor Caddy has been designed to make applying PVC or cloth based self-adhesive tapes to a range of flooring types quick and easy. Tricycle wheeled design for better straight line stability. A heavy duty front roller ensures optimum tape adhesion. A spring loaded roll holder keeps tape steady during application.

HOT RUNNER FLOOR CADDY WIDEBOY

The Wide Boy Floor Caddy is made to the same quality specification as the Hot Runner Floor Caddy. The Wide Boy version is specifically designed for clients regularly applying tapes in a range of widths from 50mm up to a maximum width of 150mm. This also includes Le Mark SlipWay™ and Pro Tapes Tunnel Tape. The Wide Boy has a spring loaded universal moulded core allowing use of most tape brands using a 76mm internal diameter cardboard core.

Custom Printed Tapes & Labels

PRINTED TAPE

Make your packaging stand out. Our custom printed tapes are tailored for you and your business. From standard vinyl and polypropylene to specialist foils and security tapes.

BARRIER TAPE

Big advertising for big areas. Create a striking, full colour design to advertising your business over huge areas with our custom printed barrier tape.

ROADCASE PAL LABELS

The world's No. 1 custom printed PAL road case label. An ultra-durable, weather resistant, write-on wipe-off case label.

TOUR LABELS

Put your mark on hired equipment with our custom printed, single use, Tour Labels. Supplied with peel clean adhesive.

EQUIPMENT LABELS

Mark your equipment with our custom printed Equipment Labels and Asset Tags, made in a wide range of adhesive and materials, tailored for you and your business.

CABLE LABELS

The world renowned, self-adhesive cable label. A wrap around identification label for your cables. Fully bespoke, long lasting and ultra-durable.

Design Team: Making the process simple and effective, our design team will work with you to create visual proofs and if required design your printed tape and labels from concept.

Print Team: Every printed tape and label roll we produce is checked for quality and consistency during printing, ensuring your finished product is to the standard you'd expect to market and represent your company.
